RDCS Update Working Group Progress Report

Working Group Meeting # 8 (September 2, 2015)

- 1) RDCS Update Working Draft

RDCS Update Working Draft

Summary of Comments (to date) on Working Draft

- Confirmed 64,600 population in 2035 based on a 2% growth rate starting at 48,000 in 2020.
- Population Limit should be a cap not a target.
- Ordinance should include brief RDCS history
- No consensus on # of allotments/yr (constant or scaled)
- Any new non-competitive allotments (e.g., Downtown) need to be voter approved
- Okay to return expired allotments to pool, otherwise no carry-over of un-awarded allotments
