

Bikeways, Trails, Parks and Recreation Master Plan Presentation

City Council
February 22, 2017

Item Goals

1. Affirm the recommended project priorities that are a result of the efforts of the PRC, community, and staff working together
2. Provide direction on the Villa Mira Monte partnership
3. Direct staff to implement the next steps as outlined in the report

Policy Considerations

1. Do the proposed Policies and Actions (Chapter 4) align with the Council's vision for the future Bikeways, Trails, Parks and Recreation system in Morgan Hill?
2. Does the City Council agree with the prioritization of projects proposed by the Parks and Recreation Commission (PRC) and slightly modified by staff?
3. Should the City develop a partnership with the Historical Society to develop and operate Villa Mira Monte as a City resource with the understanding that the City may assume a permanent role in funding and operating the facility?

Suggested Discussion Format

1. Plan Background and Highlights
2. Policies and Actions (Chapter 4)*
3. Villa Mira Monte*
4. Priority Projects*
5. Funding and Next Steps

* Opportunity for Council questions and discussion following each area

Council Questions & Discussion

Chapter 4 Policies and Actions

Policy Question:

Do the proposed Policies and Actions (Chapter 4) align with the Council's vision for the future Bikeways, Trails, Parks and Recreation system in Morgan Hill?

Key Considerations:

- Downtown Monterey Bike Lane
- Park Space Adjacent to Silvera Lake

Villa Mira Monte

Develop a partnership with the Morgan Hill Historical Society to make Villa Mira Monte viable and sustainable as a community resource.

Villa Mira Monte

- Phased site improvements
 - Phase 1: \$2M+ (Parking and Landscaping)
 - Total \$5M+ (New buildings, site improvement)
- Management and operations
 - Provide operational financial support
~\$80k annually

Villa Mira Monte

- Partnership Framework
 - Historic Society: Site Management
 - City CSD: Marketing and Promotion Support
 - Library, Culture and Arts Commission: Oversight
- Next Steps
 - Council prioritize funding requests with other priority projects
 - Consider funding in mid-cycle budget updates

Council Questions & Discussion

Chapter 4 Policies and Actions

Policy Question:

Should the City develop a partnership with the Historical Society to develop and operate Villa Mira Monte as a City resource with the understanding that the City may assume a permanent role in funding and operating the facility?

Key Considerations:

- Ongoing funding commitment versus other General Fund operational needs

Project Priorities

- Priority Project Sheets – Attachment 8
 - Bikeways
 - PRC Priorities: Coyote Creek Connections and Monterey Road (buffered bike lane)
 - Trails
 - PRC Priorities: Madrone Channel Improvements and County Partnerships
 - Staff Recommendations: Higher priority for El Toro and Lower priority for West Little Llagas Extension through Downtown

Project Priorities

- Priority Project Sheets – Attachment 8
 - Parks
 - PRC Priorities: Inclusive Playground and New Large Community Park
 - Staff recommendations: Higher priority for Borello School JUA and lower priority for recreational open space at Hill and Dunne
 - Facilities
 - PRC Priorities: CRC Expansion, Villa Mira Monte Phase 1, OSC Phase 1 and Sand Volleyball

Project Priorities

- Priority Projects will be used annually in development of the City's Capital Improvement Plan
 - Other Factors in CIP Planning
 - Applicable funding sources
 - Operational expenses
 - Opportunity for outside funding
 - Development related projects
 - Land bank opportunities
- Potential CIP Six Year Plan Samples

Council Questions & Discussion

Chapter 4 Policies and Actions

Policy Question:

Does the City Council agree with the prioritization of projects proposed by the Parks and Recreation Commission (PRC) and slightly modified by staff?

Key Considerations:

- Higher Priority of Borello School Park & El Toro Trail
- Lower Priority of East Side Open Space and West Little Llaggas Creek Trail through Downtown

Funding Recommendations

Multiple strategies for bridging gap

- Maintain cost recovery and General Fund
- Update Park Impact Fees
- Explore Transit Occupancy Tax (TOT) funding

Funding Recommendations

- Consider special assessment district(s) and/or voter-approved measure for ongoing O&M
- Focus RDCS funds for capital improvements
- Explore Traffic Impact Fee utilization

Next Steps

- CEQA Review
- CIP Update
- Mid-cycle budget recommendations
- Impact fee studies

Next Steps

- Park Dedication Ordinance updates
- Villa Mira Monte partnership agreements
- Joint Use opportunity review
- O&M Funding Opportunities
