

Item # 16

AGENDA DATE: 05/18/16

SUPPLEMENTAL # 3

On Tuesday, May 17, 2016 6:48 PM, Larry Breniman <larrythekid1946@yahoo.com> wrote:

I am stating my position as being apposed to raising the allotment level for the remaining years of the current RDCS to 282 as indicated by the planning commission. The allotment level if anything should be reduced to closer to 240 per year. As a city we have not maintained the infrastructure to support the current population of 42,000 to 44,000 depending on which report comes out of city hall.

Thank you,

Larry Breniman
