Subject: Daniel J Kenney For City Council Vacancy
Date: Friday, January 06, 2017 5:46:28 PM

Dear Mrs. Wilson,

I recently became aware that Daniel Kenney has applied for the Council Council vacancy position. I am ecstatic of the possibility that Mr. Kenney would be selected for this position. I am confident that because of his values, knowledge and great character he would be an outstanding asset not only to the city government but for all the residents of Morgan Hill. He has already generously given much of his time to make sure that not only his voice, but those too of many of the community the voices are heard and considered regarding many various concerns and recommendations for Morgan Hill to thrive. I hope you will strongly consider my recommendation for Mr. Kenney to fill this portion for I have been a resident of Morgan Hill since 2000 and have family who has much longer history here, one of which was the past chair of Chamber Commerce of Morgan Hill and another as a business owner for many years.

Mr. Kenney's knowledge and tenacity to make sure the values of the residents of Morgan Hill voices are heard makes him great candidate for the City Council position.

Thank you for your time and consideration.

Sincerely,
The Kverno Family
