Mayor Tate, City Council Members, and City Manager Rymer:

I'm writing to you in regards to the empty Council seat left by Gordon Siebert. I will miss him, and his numerous contributions to our City. I'm requesting that his Council Seat be filled by an equally experienced, and contributing member of our community, Marilyn Librers.

There are several reasons why Marilyn is the right choice. Some that come to mind are:

1. She has 8 years of previous Council experience, so she's "up to speed" on the issues.
2. She came in third in the election just 5 weeks ago for the two open seats, so she's vetted by the voters and the first runner up for a Council seat.
3. She has not taken a controversial position on any items of interest to the public, and nothing significant has changed in the past 5 weeks since the election.

Perhaps though, the most important reason for choosing

Marilyn to fill the empty seat is to avoid spending \$351,000 (over \$8 per resident) on a new election that is very unlikely to produce a candidate with more popular support and experience.

Sincerely, Philip Bogosian, 17 year resident and business owner

Marilyn cares about our community and has the experience. She also had the 3rd highest vote count in the election.

Steve and Larry,

I noticed there is a vacancy that needs to be filled for the city council. I would like to be considered for this position. I am a new resident to Morgan Hill, living in the new Brighton Oaks development on Main Ave.

I really believe in this city and want to contribute.

Thank you,

Our recent democratic election was a clear demonstration of our community's actions to make decisions on their popular vote outcome.

Marilyn Librers received the third highest number of votes in a two -seat race. Now there is a third vacancy barely thirty (30) days after our most recent election.

I would hope your fiduciary responsibility would appoint the community's response and have her fill the vacancy.

Thank you for your time and consideration in this potentially costly situation.

Hi Mayor Tate, Larry, Rich and Steve,

I hope you will do the right thing tonight and appoint Marilyn back on the City Council.

It only seem right that she should have the open seat!!

Thanks for Your Consideration and I'll look forward to the outcome!!

Best Regards,

Dear Mayor Tate,

I would like to show my support for Marilyn Librers to replace the upcoming open seat on the city council. She has done so much for the city of Morgan Hill and with her experience, there will be a smooth transition. I am most impressed with her over seas outreach to China. I hope Marilyn is considered without having to spend the money for a special election. I believe because she had the third most vote during our last election , it shows the citizens of Morgan Hill would like her on the council.

Don
