RE: **AB 2444 California, Parks, Water, Climate, and Coastal Protection and Outdoor Access for All Act of 2016  
Notice of Support**

Dear Assembly Member Garcia,

The City of Morgan Hill would like to express its support for Assembly Bill 2444, the California, Parks, Water, Climate, and Coastal Protection and Outdoor Access for All Act of 2016. Funding from this bill would provide for the development of park space both locally and regionally. The last statewide bond for the development of park space occurred in 2002, and the demand for local parks continues to be high.

The City of Morgan Hill is nearing completion of updating its Bikeways, Trails, Parks and Recreation Master Plan, and is hopeful to utilize this potential funding to support implementation of the plan.

For these reasons, the City of Morgan Hill urges you to support this AB 2444.

Sincerely,

Steve Tate  
Mayor

Steve Rymer  
City Manager
