Meeting September 21, 2016
Item #1: Fire Station Roof

Dear Morgan Hill City Council,

One of the 44 items on your 2016 Focus Areas Projects and Initiatives
under Improving Our Communication is
35. Enhancing the public's understanding of City decisions and achievements.

Please enhance my understanding of this decision.

Of the bids received, how did each of the companies that responded learn
of the project (City's Informal Bidders list, online service Public Purchase,
posted on the City of Morgan Hill website, other)?

Which bidders have previously done work for Morgan Hill?

What considerations, other than total dollars, were used to evaluate
the proposals? Was the selected bidder (Andy's Roofing Company)
strongest in all categories?

Staff says only that "they" recommend the award of this contract
for \$41,878 and "they" also recommend a 10% contingency.

As I have requested many times before, I want to see the actual scores
for each category. Transparency is impossible without detail.

1. Andy's Roofing Company \$ 41,878
2. Scudder Roofing Company \$ 58,205
3. Stronger Building Services \$ 73,000
4. Best Contracting Services \$101,391

Thank you for your consideration.
