

Dear Mayor Tate,

As a resident of Morgan Hill for over 50 yrs, I have some concerns for our town. I wonder about the reasons for annexing all the parcels closer to San Martin when other parcels in the more populated M.H. areas have been denied annexation and U.S.A.

Does this have to do with the cell tower being applied to St. Cl. Co.? I am opposed to this tower.

A Tower was placed next to my daughter's house in Gilroy. Her husband (52) died of cancer within a few years; so I am sensitive to the towers being placed within 800'-900' of the Oakwood School.

Most County ordinances such as San Benito Co. state towers cannot be within 500' of homes and 1500' of schools.

Please talk to Carl Hilbranta regarding our ordinance.

I also feel the City should be made more aware of what is about to happen and you would be interested in the peoples views,

I would also like to make one more comment.

I hate all the three storey apartments being built. It is destroying the special look of our town.

It is not necessary for you to respond to my letter.

I just wanted to put on record my thoughts about this town that I love.

My father was mayor of San Jose way back in the 50's, so I know how difficult your job is and I appreciate all that you do.

Thank you,

Loretta Wilson
