Subject: My agenda input against Oak Meadow Annexation

Dear City Council members,

My name is Angelo Starink and I'm a 15 year resident of Morgan Hill. I'm writing you regarding the Oak Meadow Annexation.

Like you probably have heard from many other residents, I highly oppose annexation of this hill side. I fully understand this is private land and that it can be developed under county rules. This is an option that I prefer. Actually, besides the land owner and a couple people with financial interest in developing this land, no resident has ever spoken in favor of annexation.

The argument I've heard from City Council members in the past has been the fact that someone can build a house on the hill side and we need to protect our viewsheds.. my question is has there ever been a study done to determine what actually can be built on the hillside? Why has the developer spent a lot of money and effort in showing us plans of potential future developments, but never showed us the alternative..? especially given that this is the main reason for the City Council to approve this plan. I would like to see more studies on the alternative before an irreversible decision will be made.

I'm asking you to deny recommendation of annexation and save this beautiful piece of land.

Regards,

Angelo Starink

Subject: Meeting 9/2 Agenda input - Against Oak Meadow Annexation

City Council,

You will be reviewing this Wednesday a recommendation from staff on a requested annexation for development that has been kicking around since 2006. This is coming with a no recommendation from the planning commission because of the serious issues with it. On more than one occasion and as recent as the Jan 13th 2014 page 6 the recommendation from the planning staff was complete denial. I ask you to review the Sept 9th 2014 staff report which sites several issues with this in violation of the general plan. In the staffs report it states this is inconsistent with the following items and gives a detailed explanation as to why:

Goal 2, Policy 2A and Action 2.2,

Policy 2c - Protect views of hillsides, ridge lines and prominent natural features surrounding the city.

These features help define the City's historic rural character, sense of place, image, and identity

Action 2.6 - The highest priority areas for Greenbelt preservation include the east side of El Toro, the Edmundson/DeWitt/**Sunset Area**, and the foothills on the eastern side of the valley north of Dunne Ave

Policy 2P, Action 2.17, Action 2.18,

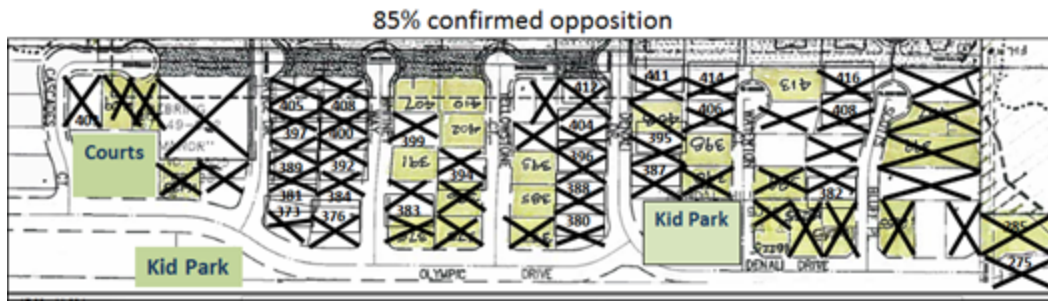

Goal 4, Policy 4B

This site was reviewed by GPAC and 14-0 voted this should not be targeted for development.

This was recorded as a matter of record. This land has been in contention since it was brought in as part of a ULL project without neighborhood review including the review and signing of an MOU. Now the ULL has been disbanded so should this project.

Community involvement

They staff report does not include the city council meeting from April 19 2006 where this whole site was MOU'd and ULL with very specific caveats from the city council direction and agreement from the developer around working with and reaching agreement with the community. Community involvement was a divide and conquer promising cul-de-sac to some streets and the second time around sent someone through the neighborhood trying to get them to sign something (38 homes) with tactics that backfired and created outrage in the neighborhood. This person is specifically angling to have a road from this proposed development to access the back of their county property. Where is the neighborhood on this proposed development?

Other documented opposition

- The General Plan Advisory Committee voted unanimously (14-0) against developing this property
- Over 1750 petition signatures and growing
- School district - MHUSD
- Greenbelt Alliance
- Audubon Society
- Voted against several times at the planning commission – same plan
- LAFCO has written this does conform to their principles

Trail -

Staff stated they changed their tune because of the trail, the trail has been in discussion and part of the proposal since 2006. We met with the Community Developer Chris Ghione and he said this trail link was not meant to have parking when they designed the map and it was purely for the neighborhood to access - by which logic we should have a say at what cost, and surely not when it mean having to walk most of it though a development that blocks view sheds. This was pushed to be master trail plan map by the developer to get points not by neighborhood it would provide access too.

Morgan Hills input in general input – Over 1750 petition signature - To date we have been circulating issue around the community starting on the 4th of July and started an online petition at change.org (<http://tinyurl.com/SaveMorganHill>) . Just like the GPAC, a group that includes people in development, the rest of the community is against this annexation. I will bring the pile of signatures to the meeting.

Petitioning Morgan Hill City Council

Protect foothill view-sheds and agricultural land in Morgan Hill. Disapprove annexation of Oak Meadow for development and put annexation applications of county land for development to a general vote by the citizens of Morgan Hill.

Morgan Hill City Council: Protect foothill view-sheds and agricultural land in Morgan Hill. Disapprove annexation of Oak Meadow for...

Over 9 years the annexation and development requests for Oak

Up a hill – this is not a development with the same topographical features as adjacent neighborhood. It is literally up a hill which is view able from Monterey Hwy and city park. It is clearly developing up and out in hillside ag land.

Real beautiful hillside ag land a mile from downtown – we must come up with a better way to preserve it besides hiding it behind a development.

Please hear the voices of the neighborhood and the citizens of Morgan Hill and deny new MOU, recommendation of annexation, USA, GB, zoning etc. You can help save this special piece of land and promote development in other areas.

Subject: OPPOSITION FOR THE OAK MEADOW DEVELOPMENT

Dear Planning Commission and City Council,

I oppose this development and have been against it since the very beginning in 2006, maybe even as early as 2004. I am a longtime Morgan Hill resident since 1976. I am the original homeowner (for 17 years) in the Parkside Development. If this plan flies, I will be looking at 2-story homes directly across the street. I am the only home facing out across the street to the property.

There are so many reasons this development SHOULD NOT happen. My neighbors all agree and what Kevin Pfeil sent you covers most of the negative aspects. This should hit home with you since no decision can be made over all these years! The Commission keeps putting off making a decision because no one can answer our questions! What about this drought and water situation here in Morgan Hill?? We have countless new homes being built and isn't that going to use up our water supply? Also the drainage situation hasn't been solved.

Why build up to our hillsides when there is ample flat land available through town.

Then there is the traffic problem.....48 homes using our residential streets to get out to Edmundson? Each home has at least 2 cars. That brings up the safety issue.

The City is trying to sell us on the trailhead idea. Ridiculous!!! Why would we want that to happen in our neighborhood? People parking on our streets and this will bring in all types of situations (drugs, thieves, gangs) etc.

The developer and owner have not even shown us any plans as to what the development would look like and what type of homes would be built. What do I look out at from my home? A solid fence/wall?

As you can see, there isn't any benefit to this development to Morgan Hill at all.

There isn't one positive benefit for me.

Thank you for your time. I hope you will consider voting NO on this project so we can preserve our beautiful hillside and grazing land for all to enjoy for many years to come.

Sincerely,
Sherri J. Sliter

Subject: Save Morgan Hill - Vote No - OakMeadow Annexation

City Council members,

I am a Morgan Hill resident and local business owner. I'm writing this letter on behalf of the Save Morgan Hill Movement. Save Morgan Hill's focus is to responsibly grow the city of Morgan Hill by utilizing the Smart-Growth guidelines outlined in Morgan Hill's General plan. If the Smart-Growth guidelines are adhered to, the City of Morgan Hill has sufficient land for residential development within its current City limits based on LAFCO's (Local Agency Formation Commission) 2013 review of vacant lands inventory. At that time, the City had enough vacant residential land to accommodate growth for 18 years (based on city's definition) or 33 years (based on how LAFCO considers vacant lands).

Additionally, the Save Morgan Hill movement is sponsoring a petition and ballot measure that would put annexation applications for development of county land to a general vote by the citizens of Morgan Hill. This will allow an opportunity for everyone with a stake in the long-term viability of Morgan Hill to participate in the city's growth.

An example of this is the Oak Meadow annexation and development request. For nine years the annexation and development requests for Oak Meadow have been denied by the City staff and planning commission. Due to continued back door lobbying by the developer, the City planning commission redefined the definition of "infill". This redefinition is significant and was done without input from the residents of Morgan Hill. Given this new definition of "infill" the developers will be able to destroy Oak Meadow and other agricultural/grazing lands that are surrounded on only one side, rather than three sides in the previous definition. Recently, a \$100,000 grant was awarded to study the climate and infrastructure consequences of developing at-risk lands in Morgan Hill, Gilroy and Coyote Valley. Given this upcoming study and repeated concerns from LAFCO that Morgan Hill fails to preserve the desired amount of open space, we respectfully ask that the development of Oak Meadow be delayed, until the results of the study can be considered.

In summary, Save Morgan Hill is not anti-growth, we are pro-Smart-Growth. Our goal is to work with the City Council members to responsibly grow Morgan Hill while adhering to the Smart-Growth framework in the City Plan, which states the importance of "Preserving the rural character, open space and hillsides."

Thank you for your consideration,
Regards

Anthony Wilder	Morgan Hill	95037	7/29/2015	Open space and lower population helps give Morgan Hill its charm. Let's keep it that way.
stacey bertaccini	Morgan Hill	95037	7/29/2015	Because I'm tired of all the housing going in and all of the development happening in Morgan Hill. It seems endless. The view shed is more important to the local community and perhaps the whole community We do not a view shed like San Jose or Gilroy or even unincorporated San Martin They look dilapidated? Not well Cared for and Sometimes Abandoned! Protect the View Once it's. Gone
Daniel Kenney	Morgan Hill	95037	7/29/2015	You never get it Back!! I'm signing because this is my hometown and I want to keep it as open and beautiful as much as it was when I was
Adeline Martinez Strom	Morgan Hill	95037	7/29/2015	growing up. The original reasons and voting results still stand as a reasonable and compelling argument for keeping that space open
Kathleen Conway	Morgan Hill	95037	7/29/2015	and free from housing developments.
James Conway	Morgan Hill	95037	7/29/2015	I want to keep our beautiful landscapes pristine.

Lora Perez	Morgan Hill	95037	7/29/2015	We don't need any more housing development in Morgan Hill on our beautiful land! Why? For the exact same reason that the developer will landscape the property once its built. Because nature is NICE.
James Amaral	Morgan Hill	95037	7/29/2015	We want to enjoy it. Don't ruin the hill. We don't want to look like LA. The zoning has already permanently ruined several locations in our city. Three story buildings are popping up everywhere at an alarming rate, without adequate setback from roads. I moved here 20 years ago to get away from the crowding in San Jose, as did most of our residents. Stop ruining our ideal!! No one is in favor of it, and your only motive
Kay Musich	Morgan Hill	95037	7/30/2015	is MONEY!!! Stop now before it is too late!
Wendy Gonter	Morgan Hill	95037	7/30/2015	Morgan Hill does not need any further homes being built! Traffic is becoming a huge issue and our once little city is going to outgrow itself if we allow building to continue. The charm of the city is becoming a memory.
Diana Rodriguez	Morgan Hill	95037	7/30/2015	No more development! The Bay Area is choking to death in population. We don't need more people here.
Maura Mounts	Morgan Hill	95037	7/30/2015	I moved here for the small town atmosphere and the lovely views that I used to have. Now my view consists of looking into backyards and people leaving outdoor lights on all night long. Please slow down Morgan Hill.
Erika Sharp	Morgan Hill	95037	7/30/2015	Protect our beautiful city!
Gillian Hertzer	Morgan Hill	95037	7/30/2015	I love Morgan Hill the way it is. I do not want any more houses. And I support the open space plan.
Joseph Becker	Morgan Hill	95037	7/30/2015	We should develop land within the city limits only i want to keep open land (especially in Morgan Hill's peripherals) and limit development to areas within 1/2 mile of the
Michael Hertzer	Morgan Hill	95037	7/30/2015	101.
Chelsea Gonzales	Morgan Hill	95037	7/30/2015	I want the moratorium back, more people more crime
david terry	Morgan Hill	95037	7/30/2015	To protect our open land
Sharon Spencer	Morgan Hill	95037	7/30/2015	Morgan hill is getting too populated already. Wish to preserve the beautiful open spaces we have! I am signing this because I dont want all of Morgan Hill to be developed. I have been a resident since 1977 and I have played in these hills. We don't need more buildings of any kind. Stop destroying our country living! Will we one day
kendail Gonzales	Morgan Hill	95037	7/30/2015	just be attached to San Jose?? :(
Marjorie McMillan	Morgan Hill	95037	7/30/2015	Please consider signing this petition to protect our agricultural land in Morgan Hill. Revisions to the city's General Plan should not be made lightly, and certainly shouldn't occur as the result of lobbyists working behind the scenes. If changes will be made, let's all be involved in the decision (I'm not big on putting state-level decisions that address the minutiae to be put to the voters as a way to get around the legislative process (e.g., state propositions), but at the local level, let's have transparency - and involvement! This is what makes Morgan Hill what it is. Beautiful. Protect these areas and preserve wildlife habitat. Provide
evelyn davis	Morgan Hill	95037	7/30/2015	protection and wildlife corridors.
Allison Poles	Morgan Hill	95037	7/30/2015	Keep Morgan Hill beautiful. Way too many new homes coming into our area.

Carlie Lehrfeld	Morgan Hill	95037	7/30/2015	In addition to the points made in this petition, we don't have the infrastructure to support more homes. Traffic is a nightmare & we have no water. Adding MORE housing is the last thing that should be done.
Denise Burdett	Morgan Hill	95037	7/30/2015	Looking at the land and hills is what I moved here for. Not for businesses and homes
Shantih wensmann	Morgan Hill	95037	7/30/2015	The open land is the beauty of Morgan hill.
Sherri Bass	Morgan Hill	95037	7/30/2015	the development in Morgan Hill is getting out of control.
Michael LeClair	Morgan Hill	95037	7/30/2015	Our voices should be heard. Stop ignoring us.
Christina Morgan	Morgan Hill	95037	7/30/2015	We have a ton of new development, we need to slow down and keep our great Morgan Hill views. I'm still sad that Autozone took away the view of El Toro as you drive down Monterey, especially when waiting at the light to go to the CRC. The blight was better than that monstrosity. Plus we already had tons of auto stores within a stones throw from each other. At the least it should only have been approved as a 1 story. It would have been a perfect location for a healthy fast food drive- thru, that was my wish when wondering what was being built.
Matthew Stein	Morgan Hill	95037	7/30/2015	I am also concerned with the amount of traffic and the growth we are seeing in this town. It seems to be growing out of control to the point where traffic and crime are growing beyond control. I would strongly suggest we take a pause and reexamine the goals of our town.
Erica Seelie	Morgan Hill	95037	7/30/2015	I live in Morgan Hill and want to keep it beautiful!
Tina Cruz	Morgan Hill	95037	7/30/2015	I want to preserve the beautiful foothills of MH. We have and should be an agricultural community. It's what makes our town so picturesque and enjoyable. Don't make us another Willow Glen or Santana Row.
Dan Devou	Morgan Hill	95037	7/30/2015	Keep Morgan Hill open spaces OPEN
serena trinidad	Morgan Hill	95037	7/30/2015	violation of GP, We need and love agriculture. Morgan Hill is beautiful because of the hills....placing homes on them causes less beauty for MH and less grazing. Schools are over loaded, roads are over loaded.... this is a prime example of LESS being MORE. MH is friendly, it is already over run with low income communities which contributes to higher crime. I use to have a more homes means more water use
Jennifer Miller	Morgan Hill	95037	7/30/2015	I want Morgan Hill to stay a smallish town. It is a beautiful city that still has some open space. Taking away all the open space is bad for the plants, animals, earth and all the people who live here. We need to be responsible inhabitants to both Morgan Hill and our Earth. Money, greed and power SUCK! Mother Nature and our Earth cannot survive if we keep sucking it dry!!
Garry Meyer	Morgan Hill	95037	7/30/2015	I'm signing because I appreciate the little bit of rural atmosphere we still have in Morgan Hill.
wendy delmue	Morgan Hill	95037	7/30/2015	Im signing because Morgan Hill is a great small town I don't want it to turn into something big like San Jose. I like that we still have open land, we don't need to crowd it with more housing!
robert wolford	Morgan Hill	95037	7/30/2015	We are going to run out of water if we continue to overbuild. Count the building opermits issued since we knew we were having a drought 2010.

Kyra Pehrson	Morgan Hill	95037	7/30/2015	The open space and bucolic areas of Morgan Hill are what drew my husband and I away from once equally beautiful Mountain View to here (Morgan Hill) a couple of years ago.
				<p>I believe that nature's beauty could never be overruled by cement sculptures and neat symetrical town homes. Morgan hill has vastly expanded within the past 10 years at such a rapid rate that even the native wildlife has no options for survival besides wondering into town to feed on loose pets and shrubs. The ammount of deer population is thin, yet abundant to backyards and property lines. The ammount of revenue produced by the residents via taxes,local business, and sin taxes proves far substantial for the needs of a small city. Morgan hill has been pressuring to expand into unincorporated san martin, regardless of the measures passed. Even morgan hill police are overstretching their jurisdiction to south county sheriff territory in attempts to "steal" county revenue...</p> <p>I am all for preservation of our towns and local bordering cities. Last thing morgan hill wants is san jose traffic and more homes for the overflow population from San jose... is it really worth selling out your towns local beauty in the attempts to grab more cash flow from housing more income generating residents? Sounds like a greedy out of control monster that has no regards for the laws in place and is willing to sell the soul of thier own town over \$\$\$ signs. ..</p>
Christina rocchi	Morgan Hill	95037	7/30/2015	I am tired of watching houses and apartments being built all over Morgan Hill! I miss our quiet, beautiful town.
Bille Grandy	Morgan Hill	95037	7/30/2015	I think there needs to be extensive study regarding the impact of the proposed project. Commute Traffic is getting more and more contested. No more building without spending some money on improving roads & adding lanes.
Rebekah Hill	Morgan Hill	95037	7/31/2015	
B Michael Manderson	Morgan Hill	95037	7/31/2015	I am tired of the growth and traffic congestion. And where will the water come from to service these new residents?
Adriana Montoya	Morgan Hill	95037	7/31/2015	I love the hill and agricultural views in our town and little by little we are starting to lose it. I am very concerned at the City of Morgan Hill's apparent inability to listen to the majority of its residents. We are fearful that our town will become unrecognisable with excessive development.
Angela Hay	Morgan Hill	95037	7/31/2015	Listen to the people who live in Morgan Hill. Keep the town beautiful and stop over developing.
Stephen pirozzi	Morgan Hill	95037	7/31/2015	Minimizing future traffic and loss of aesthetic Morgan Hill countryside. Childhood places.
Socorro Gutierrez	Morgan Hill	95037	7/31/2015	We need to protect our open spaces. It is what makes Morgan Hill beautiful...
Revecca samuel	Morgan Hill	95037	7/31/2015	We need open land! Don't make us another San Jose!!
Kathleen Knapp	Morgan Hill	95037	7/31/2015	No more homes!!!!!!!!!! & No more homes!!!!!!!!!!
Ryan Myers	Morgan Hill	95037	7/31/2015	Thanks!
Diana Webb	Morgan Hill	95037	7/31/2015	I'm signing because I love the open fields that we have in morgan hill and want to keep it that way.

Lennie Smith	Morgan Hill	95037	7/31/2015	I love Morgan Hill because of the open space and not full of homes. I grew up in a small town. I'm signing because I don't want my city to expand and become another gilroy, over populated and entire parts of the city being avoid due to it being "ghetto" due to the creation of shitty low income housing that isn't even affordable in most cases
David Huffmam	Morgan Hill	95037	7/31/2015	
Nathaniel King	Morgan Hill	95037	7/31/2015	Morgan Hill is losing is charm and beauty. Also growing to fast for infrastructure and schools.
				I have lived here 40 years and the plans change with the ebb and flow of money. There is not enough water for my 25 year old trees. We need another moratorium to try to protect those of us who still want to live here.
Carolyn ANderson	Morgan Hill	95037	7/31/2015	
Sandy Cebreros	Morgan Hill	95037	7/31/2015	I've been a resident of Morgan Hill for 14 years
				On top of the reasons listed in the general petition, I feel that we as a community are slowly losing sight of what drew so many of us to this valley - the fact there still was open space. As we pave and develop more and more of these open space areas we are slowly losing the character of the community we love. If we're not careful we'll end up living in just another suburb of San Jose, with nothing to distinguish us but the exit signs on the freeway. Sure, this project will bring revenue to the city as all development projects do. But is anyone looking at the cost. The council should be acting in the best interests of the citizens living in Morgan Hill, not the developers looking to profit from it.
Jordan Wittman	Morgan Hill	95037	7/31/2015	I am signing because Morgan Hill is a beautiful town with all the farm land it has,with all the space of land that is has and it's precious hills. We should not let it be destroyed by letting this company build more homes. Let it be known that we care about our beatiful town.
Araceli Martinez	Morgan Hill	95037	7/31/2015	I am concerned that new houses are being built while so many remain in unsold or in foreclosure. I also don't think we are building infrastructure to support the inbound community (added law enforcement, roads, schools, city services, etc.).
Cari Jaquet	Morgan Hill	95037	7/31/2015	
bob mats	Morgan Hill	95037	7/31/2015	We need to stop building expecially in our foothills We are ruining Morgan Hill, the small town is disappearing. Only so much water to go around, building more is not the solution.
Leslie Ames	Morgan Hill	95037	8/1/2015	
Cossette Pieters	Morgan Hill	95037	8/1/2015	The hill is at the end of my street. I don't wanna lose that view and don't want the cows to move.
Joan Campbell	Morgan Hill	95037	8/1/2015	Developers should not be allowed to bully us into changing the plans for OUR town.
Debbie Kenyon	Morgan Hill	95037	8/1/2015	STOP THE BUILDING. KEEP MORGAN HILL THE WAY IT IS!! Go to SF if you want big city life our town has lost its small town appeal from overbuilding. We need to reign in the politics of development and get back to effectively limiting the rates of growth.
Gregory Farris	Morgan Hill	95037	8/1/2015	
Martha jurick	Morgan Hill	95037	8/1/2015	violates GP, LAFCO, Gpac vote, growth guidelines. Also, hasn't anyone heard we have a water shortage?!! I really wanna save the very little nature we have and I think it's a damn shame my human brothers and sister don't see that nature is our planet's womb. Without it, we'd be nothing.
Sergio Jimenez	Morgan Hill	95037	8/1/2015	
Paula Haaser	Morgan Hill	95037	8/1/2015	I want Mogan Hill to remain Morgan Hill. Please don't sell us out

Eleanor Scott	Morgan Hill	95037	8/1/2015	I'm signing this petition because I am concerned about the rapid growth in Morgan Hill and its impact on our town.
Lorraine Bell	Morgan Hill	95037	8/1/2015	I feel strongly that we are over developing !!!
Sandra Shim-Roman	Morgan Hill	95037	8/1/2015	mh can't support additional traffic, crime and lost animals
Vickie Metcalf Baroff	Morgan Hill	95037	8/1/2015	I want to keep Morgan Hill small and the hills free of houses! Building out parking facilities for traffic, parking (even at condo/apt. sites), water. Not sure what such an enormous influx of population will have on schools and water. If this much housing is being built, we must have enough water to
Nancy Casey	Morgan Hill	95037	8/1/2015	not be restricted on present residents usage.
Kimberly Isom	Morgan Hill	95037	8/1/2015	Because I love her and love the open space We live off of Edmundson and would be impacted by the building of Oak Meadow not to mention the increased traffic.
Jennifer Scott	Morgan Hill	95037	8/2/2015	We moved to our house to because of the openness of the area.
Charity Garcia	Morgan Hill	95037	8/2/2015	MH getting too crowded and need to preserve nature. Resident for 25 years
Bill Scott	Morgan Hill	95037	8/2/2015	it's clear that the intent of the community is to not allow this development. Let's keep our natural lands.
Noreen Miles	Morgan Hill	95037	8/2/2015	There is already plenty of development happening. Not enough water and other resources available
Cindy Peterson	Morgan Hill	95037	8/2/2015	Morgan Hill will always be home I am against this project The reason people live here and move here is because of the country hills and the country feel Stop trying to make us a saturated city of more homes and buildings we do not need We are not San Jose or San
stacey habina	Morgan Hill	95037	8/2/2015	Francisco and don't want to be!
Karen Havstad	Morgan Hill	95037	8/2/2015	I want to keep The uniqueness and the natural beauty of Morgan Hill. My husband and in laws and family lived on their property for over 30 years and we moved next door and lived there for 10. We recently had to move because the owner sold the property to a group of Asian investors. My kids loved living in MH and are heart broken. They loved it because of the open land but I have a feeling, the open land will soon
America Roberts	Morgan Hill	95037	8/2/2015	be filled.
Konnie Bunt	Morgan Hill	95037	8/2/2015	I want to help stop these developers coming into our city and taking our land and rolling hills away! The beauty of Morgan Hill is our small town feel and mostly our hills. Stop polluting it with more buildings and filling holes!!
Dana Baldwin	Morgan Hill	95037	8/2/2015	Because I'm tired of all the building in Morgan hill and I want it to stay county with open land!!! We need to protect the 'little' agricultural land we have. Too many developers have been allowed to put houses practically on top of each other. Many years ago we were told someday San Jose, Morgan Hill & Gilroy would be all connected, well, I hope it really isn't happening but, it looks like its on course because of all the building. Our roads are
Roberta Fisher	Morgan Hill	95037	8/2/2015	so impacted along with the entire infrastructure, that we are heading for big problems.
Ruben Gonzales	Morgan Hill	95037	8/2/2015	We need open space, traffic is getting worse every day.

Ren Del Carlo	Morgan Hill	95037	8/2/2015	I moved to MH 12 years ago to get away from high density housing, traffic congestion and the feeling of being in a rat race. MH does not have the infrastructure to support the rapid growth it is undertaking. While there are some obvious benefits to increasing the population they do not outweigh the negatives. MH must put a stop to overbuilding immediately and reconsider its plan.
Robyn King	Morgan Hill	95037	8/2/2015	The growth in this city is out of control. To take one of the last remaining open spaces in the city is a crime.
Kathleen Becker	Morgan Hill	95037	8/2/2015	I live because of what we have now. Please do not further build on land that provides us with beauty and tranquility in our backyards. We are NOT another sprawling San Jose or Gilroy. Leave us alone as the incredible burb we are!
Karen Agacki	Morgan Hill	95037	8/2/2015	I am concerned about overbuilding and water usage
Charles Perham	Morgan Hill	95037	8/2/2015	Stop development of Morgan Hill. No water getting to crowded schools are bad invest in other areas
Kari Ramirez	Morgan Hill	95037	8/2/2015	Morgan Hill is already becoming too crowded. I love it here because of the open space and farms and fields. Please don't keep building ugly condos all over my town!
Xavier Gonzales	Morgan Hill	95037	8/3/2015	Morgan Hill is growing way too fast. This is a country town let's leave it like that
Donna Walton Reitmann	Morgan Hill	95037	8/3/2015	Too much traffic, too much water use, destruction of our open space
Rogelio Balderas	Morgan Hill	95037	8/3/2015	I like the open space and beauty in Morgan Hill.
Ariana Messina	Morgan Hill	95037	8/3/2015	Our town is being ruined with more and more building developments!
Gene Guttromson	Morgan Hill	95037	8/3/2015	we need to stick to 5 yr plan and develop current land inside the city before we expand into the county. Most everyone moved to Morgan Hill for the small town country feel that is surrounded by green rolling hills. Do not follow the suburban trend of just being an extension of San Jose, as so many of its northern cities have, all running together with houses spreading up into the hills. A few houses on acreage are ranches, but tract style homes and condos spoil the beautiful hills we are noted for. And on a more practical note, where is the water coming from to support all these new families? We are in a drought and have been for some time. We all use the same aquifers. We don't need any more strain on the limited water supply that we all are so carefully conserving?
Diane Berney	Morgan Hill	95037	8/3/2015	
Virginia Leverton	Morgan Hill	95037	8/3/2015	We are losing our country charm, as well as resources
Jose Cazarez	Morgan Hill	95037	8/3/2015	I love MH
Nicholas Ringo	Morgan Hill	95037	8/3/2015	The beautiful city is overflowing seeing more traffic more crime to come and views are being taken away. I will move away if it continues before you know it this once tiny beautiful town will be a new place for crime and trash.
Sharon Morozumi	Morgan Hill	95037	8/3/2015	We need open space Our landscaping is dying, our lawns are brown, we are severely limited in water use, yet the city and county continues to allow more residential building, this stupidity needs to be halted. We need to conserve our precious water, and give up the greed for tax dollars to be squandered by city hall.
Donald van Straaten	Morgan Hill	95037	8/4/2015	

Cindy blanton	Morgan Hill	95037	8/4/2015	Because I live here for the quiet..country..small town community. ...and our elected politicians are destroying a rare way of life for the bottom line tax dollars. No water...no more people.
Ashley Shottenkirk	Morgan Hill	95037	8/4/2015	I believe this town is to small;for houses and people! Its an agriculture town. Don't deplete farm land for;the rich and the greedy!
Pedro Martinez	Morgan Hill	95037	8/4/2015	Its our morgan hill.
Emily Jordan	Morgan Hill	95037	8/4/2015	I do not agree with all the housing development in Morgan Hill
Victoria Whisner	Morgan Hill	95037	8/4/2015	It seems there has been a great deal of development in Morgan Hill Lately. I would prefer a slower growth. Traffic is getting worse and worse. It is taking me more than twice as long to go from the north end of town to the sound end of town then it used to. I understand the need to grow, but one of the charms of Morgan Hill is all of the green space and the rural feel. We are loosing that with all the development.
Crystal Boyer	Morgan Hill	95037	8/4/2015	I live in Morgan hill, and choose to stay because of the beautiful, peaceful land and agriculture!
N A	Morgan Hill	95037	8/4/2015	I'm signing this petition because I love the openness of the land surrounding Morgsn Hill. It is the reason we moved here.
David Monteiro	Morgan Hill	95037	8/4/2015	Morgan hill is growing way too fast.
Irma Dombrowsky	Morgan Hill	95037	8/4/2015	I moved to this city 8 years ago because of it's open spaces and quaint, old downtown. Now both things that were so appealing to our family seem to wither away at the same time. If this continues, I'm afraid for an exodus by people who truly care for and live in this city, and it will be taken over by those who only sleep in it.
whitney jordan	Morgan Hill	95037	8/4/2015	I don't want to see more housing development in Morgan Hill. We came here in 78 to get away from it not to be in the middle of a growth surge, especially in the middle of a severe drout!
jessica munoz	Morgan Hill	95037	8/4/2015	I thinks theres enough houses in that town no need for more
cecile michaud	Morgan Hill	95037	8/4/2015	I want it to stay just the way it is. I love gazing at that hill and watching the cows. Beautiful view. Beautiful hill
Joann Crothers	Morgan Hill	95037	8/4/2015	I don't want my lovely view obstructed by more houses. We are in a drought and Morgan Hill is already overbuilt.
Ron Schwartz	Morgan Hill	95037	8/4/2015	the overwhelming amount of people said no, so listen to them.
Sarah Rogers	Morgan Hill	95037	8/5/2015	I want to preserve Morgan Hill
Ray Blanchard	Morgan Hill	95037	8/5/2015	I love open space and land
William Corbin	Morgan Hill	95037	8/5/2015	Morgan Hill is growing way to fast and this is getting out of control. I do not enjoy traveling to San Jose anymore because of the congestion and our council is trying to turn Morgan Hill into San Jose. The traffic has changed dramatically in the last year. Why are they doing this it doesn't make any sense to me.
Lauren Colwill	Morgan Hill	95037	8/5/2015	This is my home

				This town should stay a town.... not a city. I have lived here for 52 years. I remember what it was like and don't like where it's headed.
Willaim Geimer	Morgan Hill	95037	8/5/2015	Go away builders!
Lori Aldrighette	Morgan Hill	95037	8/5/2015	Congestion, aesthetics
Angelina Fernanfez	Morgan Hill	95037	8/5/2015	I feel it's our duty to preserve land for animals as well as for us as a community to reconnect with nature. where we live.
Charles Lipscomb	Morgan Hill	95037	8/5/2015	I'm signing this because the growth is moving way to quick, and the city services can not handle it, not to mention public safety concerns for our roadways... also, aren't we in a drought, or have you figured out a way to make water?...
Grady Baker	Morgan Hill	95037	8/5/2015	develop existing areas before moving into our agricultural resources.
Amelia Lipscomb	Morgan Hill	95037	8/5/2015	I'm signing because I love my town and overdevelopment is destroying it.
Brian Joyce	Morgan Hill	95037	8/5/2015	Im signing because I would like to keep our land and resources. There has been over development in Morgan Hill lately.
Rick Scott	Morgan Hill	95037	8/5/2015	I am for growth and development when feasible, but there are so many vacant pieces of land near transportation, roads and retail that should be developed sustainably. This is not an example of sustainable or desirable development.
Samuel Glover	Morgan Hill	95037	8/6/2015	I want the land preserved.
Dana Williams	Morgan Hill	95037	8/6/2015	Protected Open Space is priceless and we're invading on land known to have mountain lions, raptors, coyotes and more. I know -- because I live there.
rolando moreno	Morgan Hill	95037	8/6/2015	I live and work on the farm
Dana Baldwin	Morgan Hill	95037	8/6/2015	I'm tired of all the building in town!!!
Kathy Ayraud	Morgan Hill	95037	8/6/2015	Morgan Hill is already crowded enough!
Valerio Cantatore	Morgan Hill	95037	8/6/2015	Morgan Hill was my favorite town, however all the land being taken and houses being built was a sign of unfortunate decisions. Morgan Hill should remain Morgan Hill, don't make it San Jose.
jason malat	Morgan Hill	95037	8/6/2015	If I wanted to live in a city with houses everywhere I would move to San Jose.
Elizabeth moore	Morgan Hill	95037	8/6/2015	Morgan Hill has exploded with too many new homes all at once, the open space is disappearing, the roads can't keep up with the increased traffic, we are in a drought
Reyna Monarrez	Morgan Hill	95037	8/6/2015	I dont want more housing in MH.
Gina Colton	Morgan Hill	95037	8/6/2015	I totally agree! MH needs to slow down with the building!
Kimberly Thimas	Morgan Hill	95037	8/6/2015	I want open agricultural land and I do not more housing!
david perry	Morgan Hill	95037	8/6/2015	Stop the Madness!!
Melissa Balderas	Morgan Hill	95037	8/6/2015	Way to much building going on
				Too much trasffic, no water, uncontrolled growth , reminds me of the early eighties
				We have way to much homes being built, we need more AG life.

Judy Lloyd	Morgan Hill	95037	8/7/2015	Over building, one lane roads in down town.
Ed Hebert	Morgan Hill	95037	8/7/2015	I love my town I'm signing because we have no growth control left in Morgan Hill. It is out of control. Our town is losing its small town feel!
Katie Duffy	Morgan Hill	95037	8/7/2015	feel!
Deborah Fisher	Morgan Hill	95037	8/7/2015	Stop the growth! I don't agree with the expansion already under construction. I want to preserve our green belt for the environment, wildlife, and the health of the residents of Morgan Hill. Enough Building!!!!
Debra Ullmann	Morgan Hill	95037	8/7/2015	Building!!!!
Alejandra Haro	Morgan Hill	95037	8/7/2015	I want morgan hill to stay small
Heidi Dukelow	Morgan Hill	95037	8/8/2015	There is to much building going on in Morgan Hill. It is getting too crowded.
heidi blondin	Morgan Hill	95037	8/8/2015	We do not need more housing in Morgan Hill.
Dan Payne	Morgan Hill	95037	8/8/2015	I want to preserve our town and our open space
Christina Diaz	Morgan Hill	95037	8/8/2015	i have grown up in Morgan hill and hate to see more buildings!
Cindy Taormino	Morgan Hill	95037	8/8/2015	Morgan Hill is being destroyed by over building of residential homes. Traffic is horrible!!
naomi herrera	Morgan Hill	95037	8/8/2015	Over populate the country community. The agricultural lands in Morgan Hill are one of its and Santa Clara County's biggest treasures. Once it's developed for short-term gain, it is gone forever. Don't let Morgan Hill become the next San Jose with endless housing track, strip mall sprawl.
Melisa McCoy-Evans	Morgan Hill	95037	8/8/2015	mall sprawl.
Susan Moon	Morgan Hill	95037	8/8/2015	View sheds like this are increasingly rare and very important to preserve for the health and beauty of California. I'm signing this because I have lived here in morgan hill since 2006, and in that short period of time I've seen the building continue with no regard to what the people want or don't want in this case. we need to preserve what we have for the beauty of mother nature is not something we want destroyed
Dennis Klima	Morgan Hill	95037	8/9/2015	have for the beauty of mother nature is not something we want destroyed
Paula young	Morgan Hill	95037	8/10/2015	Im signing, because it will cause more congestion. I love morgan hill, it's losing its beautiful country atmosphere.
valerie jiminez	Morgan Hill	95037	8/10/2015	I love Morgan Hill. There is already far too much building going on and it needs to stop.
Laura Moreci	Morgan Hill	95037	8/10/2015	I live in Morgan Hill and would like a vote on what happens in my city.
Hilda Dimas	Morgan Hill	95037	8/10/2015	I love the small town feel. Now they are building on every empty lot. I don't like it.
Sheryl Loperena	Morgan Hill	95037	8/10/2015	Limit the growth in Morgan Hill. I will always love Morgan Hill, my parents brought me home from Wheeler Hospital to our little house in 1962!! My roots are there as well as friends. I admire the beauty when I visit and hope it never connects with the south bay.
diane castaneda	Morgan Hill	95037	8/10/2015	roots are there as well as friends. I admire the beauty when I visit and hope it never connects with the south bay.
Charolette Herman	Morgan Hill	95037	8/11/2015	Lover of open spaces, like to hike Morgan Hill is my home town. Keep some semblance of what it used to look like when I grew up there in 1973 thru 1996.
Naomi Olvera	Morgan Hill	95037	8/11/2015	1996.
Jill Weightman	Morgan Hill	95037	8/11/2015	The people of morgan hill need to vote for or against this!

Name	Address	Zip	Date	Comment
Kirk Bertolet	Morgan Hill	95037	8/11/2015	Morgan Hill is a perfect small town but once it is gone to development it is gone forever. This is typical for this council. The needs of the few outweigh the needs of the many.
Nancy Schultz	Morgan Hill	95037	8/12/2015	Enough is enough the roads & stores are crowded enough. If I wanted another San Jose I would have moved there.
Lisa Clark	Morgan Hill	95037	8/12/2015	We need to preserve our beautiful land which makes Morgan Hill so great!! Stop the greed and stop the building!!
Kyra Foley	Morgan Hill	95037	8/12/2015	We need to maintain the open space and county appeal of Morgan Hill or it will lose it's appeal.
Jason Chamberlain	Morgan Hill	95037	8/12/2015	Protect the view and listen to the community v
Aleksandar Vranicic	Morgan Hill	95037	8/12/2015	I don't like shady back room deals that benefit a few at the expense of us, the citizens.
Aleksandar Vranicic	Morgan Hill	95037	8/12/2015	Make sure to get your SaveMorganHill.org - Sign The Petition T-Shirts
Steve adams	Morgan Hill	95037	8/13/2015	Enough development already! The over building of high density housing. Turning this town into to over crowded bull shit. What a crime the planning
Michael Middleton	Morgan Hill	95037	8/13/2015	commission must be on the take
diane mack-williams	Morgan Hill	95037	8/13/2015	open space is why we moved to morgan hill 18 years ago --
Scott Shores	Morgan Hill	95037	8/13/2015	Open space"open space matters I may live in San Martin but Morgan Hill is my town. The immediacy of ag and rural land is one of the best attributes
John Kelley	Morgan Hill	95037	8/13/2015	Morgan Hill has. Don't run MH all the way to Giltoy and vice versa, this place will look and feel like Sunnyvale. Stop the outwRd growth, keep the green belts
Ashley Woodworth	Morgan Hill	95037	8/13/2015	I want the local government to stop approving development of our open spaces and stop them from turning Morgan Hill into the next San Jose against the wishes of their residents.
Kathryn Serrano	Morgan Hill	95037	8/13/2015	I believe in the people's vote. I believe what was voted upon and came forth to the general public is the consensus of all; not a group of appointed committee members who have an agenda outside of Morgan Hill community. Morgan Hill has values of its own that it would like to preserve and maintain. Keep Morgan Hill green and continue to reserve the land for beauty and a preserve the small community .
Jacqueline Ferranti	Morgan Hill	95037	8/14/2015	I was born here. Lived here for 54 yrs. They r killing the wildlife & the beauty it once was.
Garrett White	Morgan Hill	95037	8/14/2015	Grew up in morgan hill
Gary Mazzurco	Morgan Hill	95037	8/14/2015	we are loosing that some town feeling. The traffic is insane already!
Nancy Lazenby blaser	Morgan Hill	95037	8/14/2015	Stop building
Steve Hoefling	Morgan Hill	95037	8/15/2015	I care There is already too much growth in Morgan Hill. Apparently, we are in 'catch up' building mode now, from developers being able to hold onto their land allotments even if they didn't build on them when they bid on them. Not only do I want this proposal blocked, I want the Mayor and City Council to answer for why they are allowing developers to skirt our 'no more than 3% growth/year' by hoarding their building start permits!
Guy Martin	Morgan Hill	95037	8/15/2015	
Monica Grijalva	Morgan Hill	95037	8/15/2015	Safe our open space!!!
Jessica Pfaendler	Morgan Hill	95037	8/15/2015	I'm signing this because I believe keeps land for agriculture is important for our community.

Juliet Clarke	Morgan Hill	95037	8/15/2015	Morgan Hill is special because of its open spaces and grazing lands. Dont lose that
sue carroll	Morgan Hill	95037	8/16/2015	I want to see underdeveloped, beautiful land.
Mary Jo Blazek	Morgan Hill	95037	8/16/2015	I came to MH for the open spaces and small town feel keep it that way
katrina child	Morgan Hill	95037	8/16/2015	I'm from there and feel it's very important to preserve as much open space as possible! I'm tired of more and more people flooding our small towns. Everywhere I look there's new houses. I live in Gilroy and Rancho Hills will never be beautiful again. Don't make the same mistake in Morgan Hill. Keep and cherish our
Matt farrier	Morgan Hill	95037	8/18/2015	countryside
MaryAnn Pearson	Morgan Hill	95037	8/18/2015	preserve our land that's why we mover here
Amber Linse	Morgan Hill	95037	8/18/2015	The building is getting out of control!!!
Dan Pearson	Morgan Hill	95037	8/18/2015	It is becoming too congested
Robert Crane	Morgan Hill	95037	8/18/2015	Our home on Watsonville Road has a Gilroy zip code, but Morgan Hill is where we go for almost everything. As we watch Gilroy cover most of its open farmland west of Highway 101, it is critical that Morgan Hill not follow suit. Bigger is not necessarily better, and this proposed development will destroy what many people love about Morgan Hill. Morgan hill should stay small. It is to conjusted. Too many house being built. We don't need all these pointless homes
Jacob Montoya	Morgan Hill	95037	8/18/2015	be built in out town. KEEP MORGAN HILL SMALL
Francisco Lupercio	Morgan Hill	95037	8/18/2015	Morgan hill needs its agriculture
Moses Peraza	Morgan Hill	95037	8/18/2015	I am signing this petition because I like the small town atmosphere.
Jesse Hernandez	Morgan Hill	95037	8/19/2015	It's a beautiful plot of land and it should stay the way it is.
Debbie Mayer	Morgan Hill	95037	8/19/2015	No more unnecessary building!!! We have enough land for development within the city limits.
Raul Loperena	Morgan Hill	95037	8/19/2015	Stay off the agricultural and grazing areas.
Ursula Garcia	Morgan Hill	95037	8/19/2015	I am signing this petition because I don't agree that we continue to build so many homes in Morgan Hill. We want to be surrounded by beautiful lands and animals not invasion of homes. i moved to Moraga hill for the open space and charm this city provides. This will be upset by these plans which should
MArc Trouard-Riolle	Morgan Hill	95037	8/19/2015	not in my opinion go ahead.
Krista Charette	Morgan Hill	95037	8/19/2015	This is the right thing to do.
Chelsey Dellamaggiore	Morgan Hill	95037	8/20/2015	Keep Morgan hill country I'm signing because I do not wish to become part of San Jose. If we start construction in the agricultural parts of Morgan Hill, more will follow. Soon enough, Morgan Hill will be just like San Jose, a layer of smog over compact roads, freeways, and neighborhoods with no nature in sight. Not to mention, we are in a horrible drought and we can't afford
Karissa Fisher	Morgan Hill	95037	8/20/2015	to waste water over unnecessary construction projects and houses.
Jackie Sellers	Morgan Hill	95037	8/20/2015	Too much building in Morgan Hill already!
Mike O'Banks	Morgan Hill	95037	8/20/2015	Too much development, traffic bad. Would like to preserve small town feel. That's why I love here and not SJ

Stephanie O'Neil	Morgan Hill	95037	8/20/2015	I have been a resident of morgan hill for over 15 years. I have been to the city council meetings, I have watched as multiple times developments have been proposed that are a waste of time and money. The majority of citizens do NOT wish to watch as the city spends tax dollars making changes that are inconsistent with our city's heritage and values. Like the recent changes to the "bike lane" in downtown, the city thinks they know what we want but they are Wrong! Citizens of morgan hill would rather remain similar to sn martin, NOT san jose or gilroy. We do not wish to be a "travel destination" in any way. We want to keep the scenery and the feeling of a small town. STOP BUILDING.
Ericka Hiatt	Morgan Hill	95037	8/20/2015	I am a school bus driver for MHUSD. I live the quaint, rural feel of Morgan Hill, and I'm frankly appalled at the greed displayed by the city in the uncontrolled growth and over-development readily apparent on every street corner. Please bring cooked sense back to planning for Morgan Hill and slow the insane speed of development!
David Gholamipour	Morgan Hill	95037	8/20/2015	I live in Morgan Hill
Carlos Copeland	Morgan Hill	95037	8/20/2015	Save the ag land. It's more important than more homes
Christine Sunna	Morgan Hill	95037	8/21/2015	We need our open spaces. There are houses being built on every empty lot. Please don't build on what little land we have left.
carolyn baxter	Morgan Hill	95037	8/21/2015	Morgan hill is a safe place. Its my home and I love the country side. Its my sanctuary and I can't have that with more and more buildings blocking out the sun because we need more stuff. We don't need it. We don't want it.
P.J. Darling	Morgan Hill	95037	8/21/2015	I love the country living Morgan Hill provides. Small community with folks who care about its residence and what goes on. The increase of commercial building and housing has already brought on undesirable human activity. Keep Morgan Hill protected - its green hills and open spaces is why our family has moved here. We have enough commercial and residential building going on. Keep this land as an open space.
Gloria Rendon	Morgan Hill	95037	8/21/2015	Gloria Rendon
Kelly Wilde	Morgan Hill	95037	8/21/2015	I do not agree with underhanded and shady deals between developers and Public Servants especially when the Public Servant directly or indirectly benefits from the shady deal.
Susan Paulsen	Morgan Hill	95037	8/22/2015	Keep Morgan Hill from becoming San Jose!! Yuck!!
Karyn Coelho	Morgan Hill	95037	8/22/2015	I'm signing because I believe in the preservation of this area's, as well as others', agricultural and grazing lands! Let the people decide!
Joe Cree	Morgan Hill	95037	8/22/2015	Morgan Hill is already becoming over developed
Jean McDonough	Morgan Hill	95037	8/22/2015	there are too many people in Morgan Hill already and the traffic getting into town is ridiculous I'm fed up with people using the back roads to get to the south end and Gilroy they speed by my property and on many occasions kill the deer and wild turkeys! We need to stop growth in Morgan Hill let's stay a country town and keep it friendly please!!!
Jeannie Vandagriff	Morgan Hill	95037	8/23/2015	Preserve our landscapes, we can't bring it back. The the reason I moved here was my hometown of Mt. View has been destroyed by over building.

Clifford Sayko	Morgan Hill	95037	8/23/2015	My wife have lived in Morgan Hill for over thirty years. We moved from San Jose to Morgan Hill. To get away from it all. Now you wanna bring it a fool back in front of out face for a buck?
Fritz Gaumnitz	Morgan Hill	95037	8/23/2015	I'm signing because it's obvious this development is side stepping the intent of Morgan hill to not develop in county land until we are within 5 years of running out of room. According to the GPAC that's not until at least 2025. This can wait until then.
elizabeth falvey	Morgan Hill	95037	8/24/2015	Too much growth and development. MH is becoming like San Jose. I left SJ for that exact reason. This " small town" is becoming dirty, hectic and overcrowded.
Christina Fernandez	Morgan Hill	95037	8/24/2015	I'm signing because I've lived here in Morgan hill all my life and it makes me sick to see all our beautiful fields disappearing! Traffic has been an issue in Morgan Hill for a couple years and it is going to get worse with all the new homes! Over populating a small town is ridiculous and irresponsible and I can't help but think the people responsible for making the decision to continue construction are only thinking of lining their pockets!
Levi London	Morgan Hill	95037	8/24/2015	Land is beautiful
Peter Vogel	Morgan Hill	95037	8/25/2015	I regularly visit the area on weekends and do not want to see the area developed.
Jill Spencer	Morgan Hill	95037	8/25/2015	Let's protect the very thing that brought so many of us to Morgan Hill, open land, wildlife, small population, and a daily appreciation of Gods creation. Most people here are employed in San Jose or further north. When they head home to Morgan Hill they feel like they can breath again! Help us keep this place special!! I would like to see development in Morgan Hill cease so that future generations can appreciate our city for the same reason so many of us used to. Morgan Hill is becoming a small San Jose with the exponential growth of housing developments. I, as well as all my family and friends, live in Morgan Hill for the reason that we enjoy a small town as opposed to an overpopulated city with no country side. We were fortunate to live in the city of Morgan Hill for many years, but recently the efforts of our city council have turned the city into something we do not desire. This is why I'm
Chris Splees	Morgan Hill	95037	8/26/2015	signing this petition.
Barbara Ranae Bourassa	Morgan Hill	95037	8/26/2015	There is more than enough residential development currently in Morgan Hill. We are losing our views and land to greedy developers and politicians. No means NO!!!
Kathryn Reno	Morgan Hill	95037	8/26/2015	After reviewing the history of this project, the city staff, MHUSD, planning commission and "hundreds of petitions against it, the project should NOT be an issue. The developer should stop and be charged for the tax payers monies spent on this "Killed" project! Because of the developer's pressure we need to put the development to rest with a vote by the citizens of Morgan Hill. Our community is growing too fast! What a waste of our time and tax monies!
Karl Kinker	Morgan Hill	95037	8/26/2015	We have too many problems with services and I feel we don't need more
Aaron Ellis	Morgan Hill	95037	8/26/2015	I don't want to live in an urban sprawl.
Dadbeh Rouhbakhsh	Morgan Hill	95037	8/26/2015	I am concerned about the loss of farm/ranch land
s coffman	Morgan Hill	95037	8/26/2015	We don't want the high density MH is becoming.
Katherine Hughes	Morgan Hill	95037	8/27/2015	Don't over populated Morgan Hill like San Jose. There is a reason we moved here

Michelle Lieberman	Morgan Hill	95037	8/27/2015	I live in this area and have a small farm here. Having watched this issue for years, I am disgusted at the city's constant push to expand its boundaries and please developers at the expense of our beautiful community's open space.
David Large	Morgan Hill	95037	8/27/2015	It is against the voted wishes of the citizens of Morgan Hill and bad policy to keep annexing surrounding open space
Evan Jones	Morgan Hill	95037	8/27/2015	This land should remain the way it is.
Ryan Armer	Morgan Hill	95037	8/27/2015	The residents do not want this development into the foothills. City government works for us, not the other way around.
Bernie Mulligan	Morgan Hill	95037	8/27/2015	We are growing at a very rapid rate. Services are going to be impacted dramatically. We are in a long term drought.
Marla Bravo	Morgan Hill	95037	8/27/2015	I'm signing this petition because of overcrowding in schools due to new developments.
Anne Rosenzweig	Morgan Hill	95037	8/27/2015	We have lived in Morgan Hill since 1978. As avid cyclists, we appreciate open space. This proposed development is ill-advised.
Chad Biscardi	Morgan Hill	95037	8/27/2015	I feel the growth in Morgan hill is growing to rapidly and we are losing the Morgan hill we moved to. There should be only a small increase over a period of time not an explosion, like now
shelia sexton	Morgan Hill	95037	8/27/2015	there should be more country land available there are other places they can build
michael egger	Morgan Hill	95037	8/27/2015	We need to protect the fragile beauty of our community for future generations.
Dolores Damak	Morgan Hill	95037	8/28/2015	Because the beauty of our town is being lost with all the new house & buildings!!!
Robert Torres	Morgan Hill	95037	8/28/2015	As a resident of Morgan Hill since 1986, I loved what Morgan Hill was that brought me here in the first place, now we're losing and destroying the charm, character, flavor and openness with all the growth and development going on currently. Lets preserve what we all love about in Morgan Hill and stop the annexation. Listen to your residents and not the developers, we live here, not them; they're only here to make money.
