**Re: 2015 Measure C Competition – Altimira Circle – 7-Lot Project**

Dear Gina:

We would like to awarded allocation for the final 5 units for the Altimira Circle 7 Lot Project as an on-going project.

The Tentative Parcel Map, application for Site and Architectural Approval and request for Development Agreement were filed with the City on June 16, 2015. The street frontage and joint Trench and sidewalk have already been installed.

We hereby request 5 allocations as an on-going project in this Measure C Competition so this very small project can proceed to completion.

Please let me know if there is anything else that you require in order to be considered for these on-going project allocations.

Very truly yours,

Ventura Investors LLC
