LOGIN

1. Select "Request" under "Inspection" column
2. Select "Inspection Type" from dropdown menu
3. Select a date from "Requested Date:" list
4. Select "Add Inspection"
5. When done, select "Submit"

GENERAL INFORMATION

Inspections scheduled before 3:30 PM can normally be performed the next business day. If date being requested does not appear on the dropdown list, it is no longer available.

Inspection hours are between 8 AM and 4 PM

Next day inspection request cut-off time is 3:30 PM.

Fire inspections are currently only available on Wednesdays and Fridays.

Permits not having a passing inspection within 180 days from date of issuance or from date of last passing inspection will become inactive and will no longer appear under "My Active Permits". Please contact the Building & Fire Prevention Division to apply for a permit extension, check on status, or to request to be linked to a permit.

Office Number: (408) 778-6480
