Hi Michelle,

Thanks for all the hard work you are doing on the city council appointment process!

I wanted to send my recommendation to you and the council regarding the excellent candidate you have in Danielle Davenport.

As I sat in the candidates room, last Wednesday,

Nursing my flu, I noticed how friendly and well attended she was with all the candidates!

She was one of the few people who sat with each contender to get their story,

And better understand the entire community's needs and desires.

With 25 candidates, that is a lot of points of views!

I've talked with my Paradise and South morgan hill friends here and we all agree, Danielle is the best of the best!

We urge the council to appoint Danielle Davenport

To be the true representative for all of our small town interests!

Thanks,

Daniel JKenney

Hi Michelle!

I work with Danielle Davenport and wanted to support her in the role for City Council!

Our business is located in Morgan Hill and I have had the pleasure of working with her on the chamber board in the past.

Most recently she is going to serve as a judge for an event called PitchTank similar to ABC's Shark Tank.

More info [here](#).

She was great at the event last year and we're honored to have her again this year!

Please let me know if there's anything else I can do to show our support for Danielle Davenport for City Council.

Thank you,  
Sam
