Subject: Morgan Hill City Council

Hi Michelle,

First, thank you for coordinating all of the activities for the Councilmember applicants last week at the City Council meeting. I know that was a lot of people to manage over the course of a very long night. The entire process was respectful and appropriate, and I thank you, and the council members, for providing the opportunity. Although I was not selected, I hope to participate more in Morgan Hill's city government going forward. I was so impressed with everyone's commitment to the City's future, and that was refreshing and comforting to see.

I also wanted to send a quick note to say that I think Danielle Davenport would be a wonderful addition to the Council. When I saw that she had applied for the position I felt immediately that she would be an obvious choice for the position. I did not realize that she had run before, but I've known her for years and she is smart, capable and professional. Her commitment to the role would be sincere and I think she'd be a great addition to city government. I thought I'd pass that on in case it is at all helpful to provide character references from the community.

Again, thank you for everything you did last week. If you ever need a volunteer for some task, please know you can call me and I'd be happy to help.

Regards,

Monica

Hi Michelle,

Thanks for all the hard work you are doing on the city council appointment process!

I wanted to send my recommendation to you and the council regarding the excellent candidate you have in Danielle Davenport.

As I sat in the candidates room, last Wednesday, Nursing my flu, I noticed how friendly and well attended she was with all the candidates!

She was one of the few people who sat with each contender to get their story, And better understand the entire community's needs and desires.

With 25 candidates, that is a lot of points of views!

I've talked with my Paradise and South morgan hill friends here and we all agree, Danielle is the best of the best!

We urge the council to appoint Danielle Davenport To be the true representative for all of our small town interests!

Thanks,

Subject: Supporting Danielle Davenport

Hi Michelle!

I work with Danielle Davenport and wanted to support her in the role for City Council!

Our business is located in Morgan Hill and I have had the pleasure of working with her on the chamber board in the past.

Most recently she is going to serve as a judge for an event called PitchTank similar to ABC's Shark Tank.

More info [here](#).

She was great at the event last year and we're honored to have her again this year!

Please let me know if there's anything else I can do to show our support for Danielle Davenport for City Council.

Thank you,

Sam
