Michelle - Please provide this with the agenda items for 1/25/17

I wanted to attend Caitlan's swearing in, but I have a conflict with a judging role for the Santa Clara Chamber of Commerce's Young Professionals Entrepreneurial Pitch Fest. Apologies.

I would like to congratulate **Caitlin Robinett Jachimowicz in her appointment to the City Council. I am confident she will do an amazing job and look forward to having her qualified, strong, intelligent and independent voice on our council.**
