**RE: Bid Proposal: Fourth Street & Monterey Road Signalization Project
Seek Relief of Bid under Public Contract Code Section 5100**

To whom it may concern,

Please be advised, Tennyson Electric, Inc. would like to seek relief of their proposal submitted January 19th, 2017 on the above project because of a material error under Public Contract Code Section 5100. When we input our pricing we failed to correctly add our subcontractor pricing to the bidding items resulting in an omission of 196,904.00; therefore, our correct total should have been \$ 595,864.00

If you have any questions please do not hesitate to call me.

Thank You,

Michael Tennyson
