

To the Members of the Morgan Hill Planning Commission;

Leal Granada Hotel is proud to be a part of the effort to revitalize downtown Morgan Hill. Therefore, we would like to show our support for all downtown housing. These projects will bring in more people who get to enjoy our lovely downtown, and it will create more opportunity for businesses. This development will play a significant part in the vision of revitalizing downtown Morgan Hill into a hub of commerce and culture.

Downtown has a lot to offer, new housing at the center of it all will greatly increase the flow of foot traffic. This will be a boon to local businesses. It will keep the doors of beloved local establishments open. An even greater diversity of places to eat and shop will be a big draw for locals who won't have to go far to find just what they are looking for.

As the Granada Hotel and Marketplace breaks ground in a few months, serving residents is one of our primary goals. We won't just be a hotel for out of town guests. We too will have shops and restaurants that will primarily serve locals, staffed by locals. The more partners we have in making downtown an economic hub for the community, the better for us all. We are excited to serve the community and look forward to working with our new neighbors.
