

5. How would you know if the Commission is successful in supporting the City Council's Goals?

I believe I would know the Commission is successful in supporting City Council when we have a community that appreciates the arts and culture policies of the City Council. Success in this case would be the Commission and City Council working together to bring the best arts and cultural policies in order to make Morgan Hill both more liveable for its residents and attractive as a place to work, live, and enjoy.

6. What would you like to accomplish as a member of the Commission?

My highest priority were I to be a member of the Commission would be to ensure our library system is stable and taken care of, maintaining a level of excellence that Morgan Hill residents deserve, and promoting smart and innovative arts and culture opportunities in order to make Morgan Hill more prosperous in liveability and attractiveness.

7. What are the greatest opportunities facing the community in regards to this Commission?

I believe with Morgan Hill's economic growth downtown and its growing reputation as a center for good living, fine dining, and commerce, we are at an important crossroads to position Morgan Hill as a regional center for culture, by positioning the arts and culture as complimentary to our economic growth. The opportunity to create more public-private cooperations in the arts and cultures is perhaps the most relevant and beneficial way to help Morgan Hill grow economically and culturally.
