CITY COUNCIL REPORTS

Council Member Carr encouraged everyone to be aware of their surroundings when driving, especially since school has started and there are more young drivers and buses on the roads. He shared that he and Mayor Pro Tem Constantine attended a function at Live Oak High School to celebrate the fact that all of the schools in Morgan Hill Unified and the Police Department in Morgan Hill now have AEDs, Automatic Emergency Defibrillators, which will save lives. At the assembly, kids were trained on how to use the AEDs and the Police now have them in every one of their vehicles. Quite frequently in emergency situations, the Police are the first people to respond and now we have an even greater opportunity to save lives in Morgan Hill. The ability to obtain all of the AEDs came from a grant from a non-profit group and the County of Santa Clara. He thanked Supervisor Wasserman for helping us to obtain the AEDs.

He shared that earlier tonight we had a workshop on transportation and he wanted to continue on that theme. As a part of his role as Chair of the Policy Advisory Committee for the Valley Transportation Authority, they have discussed express lanes throughout Santa Clara County. Most of the neighboring counties, particularly to the north and the east of Morgan Hill where express lanes currently exist, have turned their express lanes into 24 hour express lanes. Santa Clara County is talking about what those implications may and will be when that happens. That will be something that we all watch as we look at what happens along 101. It is one of the corridors that is slated to have express lanes from one end of the county to the other.

He also recently, as that same representative of VTA, met with a group of seniors from Morgan Hill and Gilroy brought together by our Senior coordinator here in Morgan Hill, to discuss the transportation needs of seniors within the community. There is some concern that as VTA goes through the process of hiring a new vendor to provide paratransit and senior services, that the ability for those seniors to utilize the transportation will be impacted. We need to make sure that any new contract does not reduce the ability for seniors in Morgan Hill or Gilroy to utilize the transportation services.

CITY MANAGER'S REPORT

City Manager Steve Rymer recognized Rebecca Garcia our Housing Manager, Sydney Oam our Finance and Policy Analyst, and Scott Martin who is one of our Police Corporals for living our core value of professional development. They recently graduated from 2016 Leadership Morgan Hill class. The class raised \$72,000 for the Bonfonte Johnson Education Center.

He announced that the 27th Annual Taste of Morgan Hill will take place this weekend downtown. He thanked the Chamber of Commerce and the volunteers for making this happen year after year.

He shared that next week on September 27th we will have a community meeting for High Speed Rail in the Council Chamber starting at 5:30 p.m.

City Manager Steve Rymer announced that the Centennial Recreation Center's 10 year anniversary will be on October 15th starting at 11:00 a.m. at the Centennial Recreation Center. He encouraged the community to join in the festivities.

CITY ATTORNEY’S REPORT

City Attorney Donald Larkin had no reports.

OTHER REPORTS

Council Member Constantine reminded the community to please not paint any group of people with a broad brush, in every vocation there are people that make mistakes and do things that are not right, but to please not paint the men and women that wear the uniform in Morgan Hill with that brush. In Morgan Hill, our officers have been wearing body cameras for over five years. If you have questions, please feel free to ask your local police. They are here not only to enforce the law, but to also serve and protect.

Mayor Tate shared that the City Council received a letter from the Youth Action Council (YAC) asking what they could do to get involved and help the City Council and Community. He proposed that the Council hold a joint meeting with the Youth Action Council to develop ideas for the YAC to get more involved.
