during the Residential Development Control System (RDCS) process. The Development Agreement will allow the development of one custom single family residence on the existing lot of record.

The Development Agreement will establish a development schedule for the project, including a commencement of construction deadline and include other standard City requirements. The project took part in the City's 2015 RDCS competition and was awarded one allotment for Fiscal Year 2017-2018.

The Development Agreement was reviewed by the Planning Commission at its August 23, 2016 meeting where the Commission held a public hearing. The Planning Commission recommended approval of the Development Agreement to the City Council.
